PROFESSIONAL SUMMARY

Data analyst with a Computer Science and Engineering background and hands-on experience in data cleaning, validation, analysis, and visualization using Python, SQL, Excel, Power BI, and Tableau. Led a field team and delivered audited data across multiple project sites.

TECHNICAL SKILLS

Programming & Query Languages: Python (Pandas, NumPy, Seaborn, Matplotlib), SQL

Data Analysis & Visualization: Power BI, Tableau, Excel (Pivot Tables, VLOOKUP, advanced formulas), exploratory and statistical analysis, reporting

Databases & Tools: MongoDB, Git, GitHub, VS Code, Jupyter Notebook, REST APIs

Also: Data cleaning and validation, dashboards, data storytelling, quality assurance, stakeholder collaboration; Generative AI and prompting (no-code)

WORK EXPERIENCE

Field Data Associate — Genesys International Corporation Ltd. *Feb 2023 – Jun 2023*

- Collected and validated GPS field data; performed Excel quality checks that reduced error rates by approximately 15%.
- Analyzed field records across 10+ project sites to identify trends and resolve data discrepancies.
- Led a 3-member field team, coordinated daily deliverables, and resolved data-quality issues.
- Maintained operational reports and collaborated across teams to meet project deadlines.

PROJECTS

Crop Care & Farming Assistance System — Data-Driven Agriculture Platform

- Cleaned, validated, and engineered features for agricultural datasets using Python, Pandas, and NumPy.
- Created Matplotlib and Seaborn visualizations to communicate statistical insights.

LearnHub — Data-Backed Web Application

- Built and queried a MongoDB data layer with REST APIs and CRUD operations.
- Analyzed application logs using Python and SQL to debug and validate system behavior.

EDUCATION

B.Tech, Computer Science & Engineering — Brindavan Institute of Technology and Science (70%), 2023 – 2026

Diploma in Mechanical Engineering — Brindavan Institute of Technology and Science (71%)

Secondary School Certificate (SSC) — Zilla Parishad High School, P. Muchumarri (90%)

CERTIFICATIONS

- NPTEL Online Certification: Cloud Computing — IIT Madras
- NPTEL Online Certification: Advanced Computer Architecture — IIT Madras
